

What is this?

(both pictures are of the same thing, different focus point)

- Give 5 pieces of evidence for your answer.
- Hint: the pictures were taken November 16th, 2021

Solution = looking down into the inside of a rotting, carved pumpkin

Possible evidence

- Multiple types of mold are present
- Look closely and you can see the bottom of the pumpkin
- Melted candle wax
- There's a curled up leaf in the bottom of the right-hand picture
- Note the date the photos were taken
